THREE LANGUAGES

USED IN COURT

Question Asked in Hawaiian and Interpreted Twice.

Judge Dole and a jury yesterday morning began the trial of Ah Wan, an aged Chinaman who is indicted on the charge of illicit distilling.

Last December Lieutenant Luahiwa with a posse of officers, made a raid up Kailhi-waena and discovered a crude still, just ready to be used, with five barrels of mash ready to be transformed by the alchemy of the worm, and a small quantity of the finished product. Two men were found there, Ah Wan and Ah Sal. Ah Wan was chopping the wood ready to fire the still.

Ah Sal pleaded guilty in the police court to selling liquor without a license, and was fined a hundred dollars, and in the Federal court with illicit distilling, and was sentenced to six months' imprisonment and to pay a fine and costs of \$542.20. In his evidence he took all the blame on himself and exculpated Ah Wan.

Ah Wan pleaded not guilty and is being defended by Judge Kaulukou. William T. Rawlins is prosecuting. Judge Dole allowed Judge Kaulukou to ask his questions in Hawaiian. From that language they had to be interpreted into English for the benefit of the jury and into Chinese for the benefit of the defendant. Deputy United States Attorney Rawlins understands Hawaiian, and so was frequently before the court with an objection to a question and an argument in support of his objection before the jury knew what the question was.

The case goes on today.

LACKS JURISDICTION.

In the partition suit of Liliakani Fern and others against Becky K. Chang and others, in which the plaintiffs asked for a partition of certain lands, Judge Lindsay yesterday decided that he was without jurisdiction in this proceeding. Some of the defendants deny that the plaintiffs have any title, or that they have the title they claim. The matter is therefore one for an ejectment suit to determine the question of title.

DIVORCE GRANTED.

Judge Lindsay yesterday granted a divorce to Lucy Kamaka from her husband Kamaka, on the ground of non-support.

THE SEGREGATION LAW.

President L. E. Cofer of the Board of Health by Deputy Attorney General A. D. Larnach, has filed a motion in the Circuit Court asking that a day be fixed for the hearing of the habeas corpus proceeding on the petition of Anamalia Maunakea. This case was continued on April 7 until after the Supreme Court had decided on the application of Alana on behalf of Mary Kelihoopole Kaumakahi.

These are the cases brought to test the right of the Board of Health to enforce the segregation laws and send lepers to Molokai. The appeal to the Supreme Court was never perfected.

PETITION FOR PROBATE.

A petition for the appointment of an administrator of the estate of Pelani, a woman who died last August at Waikele, was yesterday filed in the Circuit Court. The petitioner is Solomon Kauhane. The estate is valued at about \$500.

WOMEN'S WOES

HONOLULU WOMEN ARE FINDING RELIEF AT LAST.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Emma Vieira, of King street, Honolulu, says: "For three or four years I had the misfortune to be afflicted with an aching back. The pain and discomfort this entailed on me can be better imagined than described. I have two children, and it was of course difficult for me to attend to them while oppressed with suffering. The way in which I found relief eventually was by using Doan's Backache Kidney Pills, procured at the Hollister Drug Co.'s store. They did me a large amount of good, as I now testify. I should certainly recommend those who have backache or any other form of kidney trouble to try Doan's Backache Kidney Pills."

Doan's Backache Kidney Pills are for sale by all dealers. Price 50 cents per box (six boxes \$2.50). Mailed on receipt of price by the Hollister Drug Co., Ltd., Honolulu, wholesale agents for the Hawaiian Islands.

Pear shaped balloons are the fashion in Belgium. The point is upward, the base of the balloon is spherical. It is claimed that balloons of this shape pierce the air vertically with far greater speed than the ordinary spherical balloon. Consequently they are steadier. Also the upper pointed end prevents the accumulation of moisture or snow on the surface, which frequently weighs a balloon down and destroys its power to rise.

MAKIKI SNEAK THIEF IS VERY ELUSIVE

A sneak thief is operating in the Makiki district and has been at work in some of the homes there for some days. From the way in which he pulls off his little stunts the police are inclined to the belief that an altogether new hand has broken into the game in Honolulu, especially as the local crooks with sneak thievery as a specialty are now either all in jail or where the police can watch them. None of these are responsible for the Makiki jobs and the police are rather non-plussed. For over a week the whole special detachment has been working on this one case almost exclusively and the members feel that the honor of their force is at stake.

One obstacle that is proving the hardest thing for the police to overcome and which is the greatest safeguard of the sneak thief is the neglect of the persons suffering at the hands of the pilferer to report promptly to the police. The officers have not even the presence of any suspicious person in the affected neighborhood been reported. Some cases of petty robbery have not been reported at all and in practically every report that has been received the notification to the police was many hours and sometimes days after the occurrence. Full reports made as soon as possible after the discovery of a theft will assist very materially in running the thief down.

MANY OFFICIAL CALLS.

Yesterday was a day of official calls at the Capitol. In the forenoon Captain Rees, U. S. N., the new commandant of the Naval Station, called on Acting Governor Mott-Smith.

Chinese Consul Tseng Hai also called on the Acting Governor, and notified him that he had received his exequatur from Washington.

Consul-General Miki Saito called with Vice-Consul K. Abe to present the latter to the Acting Governor.

Acting Governor Mott-Smith was assisted in receiving Captain Rees by Attorney-General Hemenway, and by Colonel J. W. Jones, Colonel Sam Johnson, Lieut.-Colonel Marston Campbell, and Captain George Smithies. The National Guard officers were in full uniform.

At 2 o'clock in the afternoon the Acting Governor returned the call on Captain Rees at the Naval Station. He was accompanied by former Governor George R. Carter, and by Colonel Johnson, Lieut.-Colonel Short, Lieut.-Colonel Campbell, and Captain Smithies. They were received by Captain Rees, Lieut.-Commander Carter, Paymaster Brooke, and Dr. Smith of the Navy.
